

*August 13, 2013*

*7:45 Coffee and conversation*

*8:00 Overview; Review of Basic Concepts; Electric Energy and the Environment*

*9:30 Break – coffee and rolls*

*9:50 Modeling of Transmission Lines*

*10:45 Break*

*11:00 Power Flow Calculations*

*12:00 Lunch*

*1:00 Transformers; HVDC Systems*

*2:15 Break – soft drinks*

*2:30 Distribution Systems, Loads and Power Quality*

*3:30 Break– soft drinks*

*3:45 Open Discussion*

*4:30 Adjournment*

*August 14, 2013*

*7:45 Coffee and conversation*

*8:00 Synchronous Generators and Voltage Stability*

*9:30 Break – coffee and rolls*

*9:50 Transient Stability*

*10:45 Break*

*11:00 Control of Interconnected Power System*

*12:00 Lunch*

*1:00 Transmission Line Faults*

*2:15 Break – soft drinks*

*2:30 Transient Over-voltages, Insulation Coordination, Surge Protection*

*3:30 Break– soft drinks*

*3:45 Open Discussion*

*4:30 Adjournment*
